2020 Annual General Meeting

Date: Saturday, September 26
Time: Ballots available in store until quorum is reached
Location: Yelm Co-op, 308 E Yelm Ave

*It's that time again for the members of the **Yelm Food Cooperative** to review how our store has been doing and where it's going in the future.*

Due to Covid-19 regulations we won't be having an official meeting. Instead we will have a display in the member center where you can vote for our new director, check out the bulletin board display and find paperwork showing what's taken place financially over the past year.

All paid up members are eligible and encouraged to vote to vote for the Director who is standing for election:

Carlo Giorno – Director at large

This is a chance to make your voice heard – it's your Co-op!

We look forward to seeing you there.

The Directors of the Yelm Food Cooperative

** Paid up members: original YFC members, new members who have paid at least the first \$25 of the \$100 lifetime membership fee and other members whose membership fee is current. If in doubt as to your status, check with any staff member at the store.*
